

## BLONDE, BRONDE AND BEYOND

### WE ALL LOVE A BLONDE, THERE IS A BLONDE IN US ALL AND A BLONDE TO SUIT EVERYONE.

And no one does blondes better than Redken's Queen of Shades and Hollywood's elite Colourist to the stars, Tracey Cunningham.

Strands Creative Director, Kelly Scott, and Senior Team member, Livvy Hawkins, were among a select group of stylists invited to join Tracey for an exclusive VIP Masterclass. Tracey shared her A-List colour formulas, demonstrated her unique techniques and gave the insider low-down on how to create the ultimate Hollywood A-List blonde.

"It was amazing to chat to Tracey, and to realise that she faces the same challenges when colouring J-Lo's hair as I do with my clients in the salon!" said Livvy.

If you want to go **BLONDE, BRONDE OR BEYOND** come and have a chat with one of our stylists.
